COMMUNITY PERFORMING GROUPS & MINI SESSIONS

Our Community Performance Groups are designed for the dancer that LOVES to be onstage! Members of our performing groups grow in confidence and competence through weekly rehearsals and community performances. They perfect skills, become more flexible, improve their technique and grow as an artist each week – all under the mentorship of positive role models. Performing group members have a high success rate with auditions for high school dance teams, theater productions and pageants, as well as choice college programs and scholarships.
