# MARK YOUR CALENDARS!

The LEAP Project is a combination of programs designed to train dancers in Leadership, Education, Apprenticeship and Performance. At KAPA we recognize the importance of family, community, leadership and talent. We strive to help build better kids by teaching them how the arts can work for the community and how to become an involved member of that community. The LEAP Project includes four parts: STAR Leadership Training membership in the National Honor Society for Dance Arts, KAPA's Teaching Apprentice Program and the LEAP Performance Group. Open to 12+, Level 3 & up!

Leadership, Education, Apprenticeship, Performance.

Our Community Performance Groups are designed for the dancer that LOVES to be onstage! Members of our performing groups grow in confidence and competence through weekly rehearsals and community performances. They perfect skills, become more flexible, improve their technique and grow as an artist each week — all under the mentorship of positive role models. Performing group members have a high success rate with auditions for high school dance teams, theaters productions and pageants, as well as choice college programs and scholarships. Our performing groups dance for a variety of audiences.

Some examples include charitable events, nursing homes, expos, Great America Dance Fest, sporting events and more!

2021-2022 Productions:  
*The Nutcracker*  
*A Little Princess*

Ballet Kenosha is our pre-professional ballet group. It has become an exciting addition to the local arts scene and provides a tremendous opportunity for young dancers, children and audience members alike to experience the magic of ballet. Ballet Kenosha serves two purposes:

- To increase exposure to and appreciation for classical performance arts in the community
- To provide opportunities for area youth to gain training that mirrors that of the professional world

Each December, we stage a production of The Nutcracker. In the spring, we will produce a production of A Little Princess. Both productions will fulfill our mission to share beautiful classical performances with an eager audience. Students 5yrs old and up may audition for Ballet Kenosha.
